# LIVING IN DUBAI

Year-round sunshine, thriving business environment and world-class infrastructure

As Dubai grows its reputation as a global point of reference for the tallest, largest and the most incredible, it's also widely regarded as a safe haven for investors, for more reasons than one.

Over the last two decades, the city's year-round sunshine, thriving business environment and world-class infrastructure have attracted business from all over the world, and with them, people from every corner of the globe.

# VILLANOVA

## Homes with room to grow

Home is not the house you buy. It's not the walls, the rooms or the doorways. It's the warmth you create with your loved ones, the memories you make together and that cozy feeling that rises as soon as you walk through the door.

At Villanova, community living plays out seamlessly against one of Dubai's most serene backdrops, enriched with the flair of modern Spanish architecture.

Embrace the feeling of home with all the things that bring you closer, from the wide open spaces to the thoughtfully planned amenities that appeal to every kind.

Life at Villanova is a choice of three neighbourhoods – La Quinta, Amaranta & Amaranta 3, a lifestyle that finds pride of place in the heart of this family-centric community.

Take a look around and discover why Villanova is more than just a house, with community centres, recreational areas, lush green spaces, walking trails and picnic areas in abundance.

# VILLANOVA Amaranta 3

## The green heart of Villanova

Villanova's Amaranta 3 is being developed with a focus on conscientious communities and creating a healthy space for families to grow together in their own home.

Encouraging the outdoor lifestyle, Amaranta 3 will have over 18,000 sq. m. of lush green landscapes and beautiful gardens. Families will even be able to walk directly out on to Amaranta 3's linear green-grassed park, which will become the heart of the community and a great place to host family gatherings.

The neighbourhood layout of Amaranta 3 will create an integrated community lifestyle while still providing each family with their own space to grow.
