

PREMIER ESTATES

NEOT SHACKED
LUXURY REAL ESTATE

In celebration of the historic agreement between the great countries UAE and Israel, **Premier Estates** have partnered with **Neot Shacked** to provide the best of real estate advisory services in UAE and Israel. The office in Dubai and Tel Aviv will give advice on all services pertaining to buying, selling, property management, taxation, company registration, regulations.

Premier Estates, a British run real estate company has earned its reputation as a boutique real estate company that has reformulated the standards of client relations in the Dubai real estate industry. Specialising in luxury, with a number of luxury off-market assets, **Premier Estates** are known for providing unparalleled professional service to local and international clients who are interested in the UAE and International property markets.

Neot Shacked is a luxury real estate company based in Israel with the primary focus of being a one stop bespoke property service. Offering access to exclusive properties, independent and legal advice, **Neot Shacked** specialises in using their experience and connections to provide clients with a personal and comprehensive service.
